SUPERNEMOS BIO-INSECTICIDE

SuperNemos provides biological control for 2 turf pests in one application

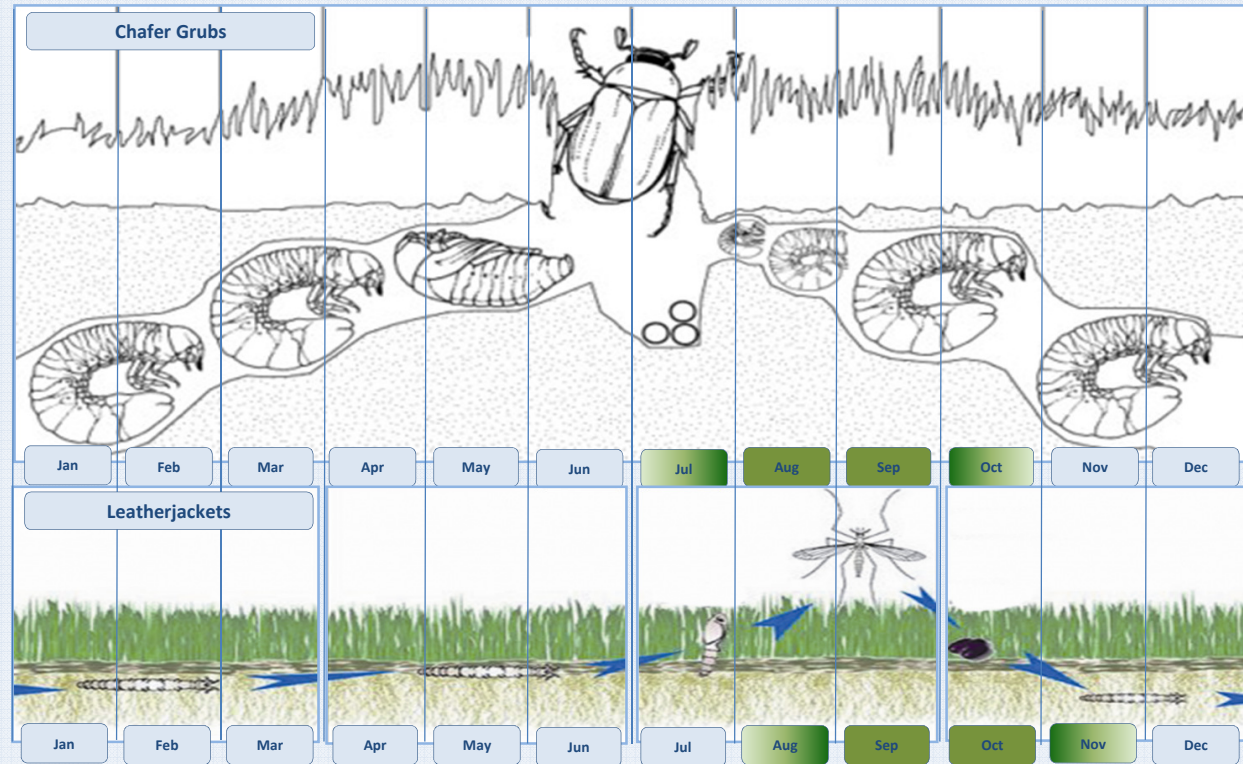

A combined control is an efficient use of labour

SuperNemos is cost effective. Savings of up to 40% are possible

Certified by the Organic Trust

Pet, Child and Bee safe

For best results apply from mid-August until soil temperatures drop to 10°C
 SuperNemos can be applied at other times when pests are active in the soil
